

420 for sale with proceeds benefiting the NSP

Message from Rex Antrim:

One of my clients has a vintage 420 with all the sails (no spinnaker) and gear ready to donate to the Sailing Program, if the program can use such a boat. My guess is that it is heavier than the 420s that the program owns.

If the NSP has no use for the boat, then it could be sold to some one in town and the proceeds go to the Friends of Nahant Sailing

The Sailing program needs the donation not the boat

Please let me know if there is any interest in this boat.
Rex Antrim
